

# THE KENILWORTH

## COCKTAIL MENU

### WELCOME & THANK YOU

for making The Kenilworth your drinks destination of choice.

We pride ourselves on the quality of our drinks. We use only the best liquors and the highest quality ingredients.

Each day we handcraft our own syrups, sherbets and cordials as well as freshly squeezing our lemons and limes for your cocktail selection. We make our edible garnishes; marinating Olives & Cherries to garnish your Manhattans and Martinis, candying Pineapple wheels, creating Fruit Leathers, baking Peanut Brittle and more!

You will be presented with our Seasonal Cocktails menu. These drinks are limited availability and are our teams opportunity to celebrate both the seasonality of produce and Events and Holidays throughout the year. These will change regularly so enjoy them while you can.

Of course you aren't limited to the options in our printed menus; we have an extensive spirit collection, are able to supply classic cocktails and would love to design a drink just for you this evening!

We have a great selection of Food, Wines, Beers & Champagnes that should cater to just about any palate. Please ask your host for the current list.

Some of our cocktails will contain eggs or egg whites, contain nuts or nut derivatives or other allergens. If you have any queries or dietary requirements don't hesitate to ask one of our staff.

All service is tableside, so please take a seat; make yourself comfortable, relax and one of our staff will be with you shortly...
